RELIGIONE
E/O PACE?

A large crowd of men is gathered, many with their arms raised in protest. In the center, a man holds a white sign with the text "STOP SHIA GENOCIDE" in bold, black, capital letters. The man holding the sign has a determined and shouting expression. The background is filled with other protesters, some also shouting and gesturing. The overall atmosphere is one of intense public demonstration.

Handwritten graffiti in Arabic script on a concrete wall. The text is partially obscured but appears to include "قصرم و اشراق" and "القدس".
